JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Monday - 17 April 1961

2. (Internal Use Only - GLC) I called Mr. Jim Hyde, Bureau of the Budget, to determine the status of our proposed report to the Senate Foreign Relations Committee on S. 822, the Freedom Commission bill. Hyde indicated the clearance of our report would have to await the receipt of Justice's report and conferences with the White House. (We received today a request from HCUA for reports on three similar House bills: H.R. 1849, H.R. 2798 and H.R. 4267.)

3. (Internal Use Only - GLC) [redacted] OO, called to report that the Director's office had received a call on Saturday from Congressman John J. Rhodes (R., Ariz.) and had referred this call to [redacted] Rhodes has a constituent, [redacted] who says he knows Cuba and wants to talk with someone from the Agency. He will be in town in the near future and arrangements have been made for him to meet with [redacted]

4. (Internal Use Only - GLC) Advised Herman Norton of the Director's approval of the appearance of General Cabell or Mr. Helms before the Senate Internal Security Subcommittee on Soviet forged documents. Mr. Norton indicated that it would take approximately one week for his staff to determine the magnitude of this project and establish a more definite date for the appearance.

5. (Internal Use Only - GLC) The Director has received a letter from Senator Thomas J. Dodd (D., Conn.) raising questions about the "vote" of the CIA representative on an import-export committee, regarding the shipment of heavy machinery.
